

Men's Retreat | September 18-20

Welcome to men 18 and older, all denominations!

"Live Life on Purpose"

God has called every man to a great adventure. Yet, most of us are too busy surviving to even stop and think about where we are headed. What we do today looks pretty much like a repeat of yesterday and the day before that. Join men from around the state in reclaiming the purpose for life as the Creator of Life has designed it. Let the adventure begin!
